## MULTI 2000 Data sheet

### Owner or skipper

Name: .....

Address: .....

Tel. and email: .....

### Boat

Name: .....

Sail number: .....

Model, builder and designer: .....

Type \*: Catamaran – Trimaran – Foiler - Prao

Appendages \*: Fixed keels - Pivoting boards – Dagger boards - Fixed foils - Lifting foils

Length overall : ..... m

Length L measured at mid-freeboard : ..... m

Beam overall : ..... m

Draft TE at rated displacement : ..... m

Mast length : ..... m

Efficient height of rig V : ..... m

Mainsail luff P : ..... m

Mast circumference CM (if rotating) : ..... m

Measured mainsail area SM : ..... m<sup>2</sup>

E = ..... m, E1 = ..... m, E2 = .....m E3 = ..... m, T = ..... m, B = ..... m

Measured mizzen area SA : ..... m<sup>2</sup>

Largest jib luff LJ: ..... m

Head stay \*: Hanks

-Furler, circumference CF:

-Head foil, circumference CE:

Measured largest jib area SJ : ..... m<sup>2</sup> LP = ..... m, CJ = ..... m, RJ = ..... m

Measured drifter or gennaker area SD : ..... m<sup>2</sup> DH = ..... m, DF = ..... m, DMG = .....m

Measured spinnaker area SS : ..... m<sup>2</sup>

SF = ..... m, SL1 = ..... m, SL2 = .....m, SMG = ..... m

Bowsprit penalty XJ (Jib tack forward the bows) : ..... m

Drifter, gennaker or spinnaker tack distance forward the bows TA : ..... m

Boom penalty XB (Main clew aft of sterns) : ..... m

Measured weight W with sails, engine(s), mooring, safety and navigation equipment : ..... kg

Measured headroom HI measured on 0,30m wide and 0,2 \* L long floor: ..... m

Speed VM under engine: ..... knots

Number of fixed propellers: .....

Type of propellers \*: Fixed blades – Feathering - Variable pitch – Outboard – Cat drive

**Data from:** Rating officer – Builder – Designer – Owner - Other rating certificate

Date, name and measurer signature:

Rating :

Class :

AMH Stamp

Certificate Number :

End of Validity:

\* select the right answer **Yellow zones recommended but optional declaration of exact measures of your sails**
